Biomedical Science/Pre-Certificate

Total Credit Hours:

A certificate can be earned in lieu of the Bachelor of Science degree by students who have successfully completed the requirements for admission to the professional phase of a program in medicine, dentistry, optometry, podiatry, chiropractic, osteopathy, or veterinary medicine at an accredited college or university. Students who have completed 90 semester hours of acceptable credit may apply for the certificate. Students must complete a minimum of 30 semester hours of credit in residence at Lee University. Students must complete all general education requirements, the major, and all prerequisites for admission to the professional phase of the program. Students must have a cumulative grade point average of 2.50 or higher on all college work attempted and a grade point average of 2.50 or higher in the major. Students must submit a graduation application to the Lee University Registrar's Office by the deadline published in the Academic Calendar.

Other Requirements:

% , 2 / % L R O R J \ - R X U Q D O & O X E
