

GUIDELINES FOR APPLYING TO GRADUATE/PROFESSIONAL

Has the student included a copy of standardized test scores (where applicable)?

YES

NO

Other useful information we need:

1. What professional experience have you accumulated or extracurricular activities have you been involved in that you will be listing on your application? (ex: shadowing hours, volunteer service, work experience, etc)** a resume can be submitted in lieu of this information

2. What courses are REQUIRED for the programs you are applying to? What grades have you earned in those courses? If you have not taken a course yet, please just put TBD as the grade.

-

3. Is there any other information you feel might be valuable to share with the faculty as they compose their letters?
