Logging in Process Defined

# Logging In

As an outside mentor for one of our students, you will receive an email directly from our watermark system once you are assigned that student.

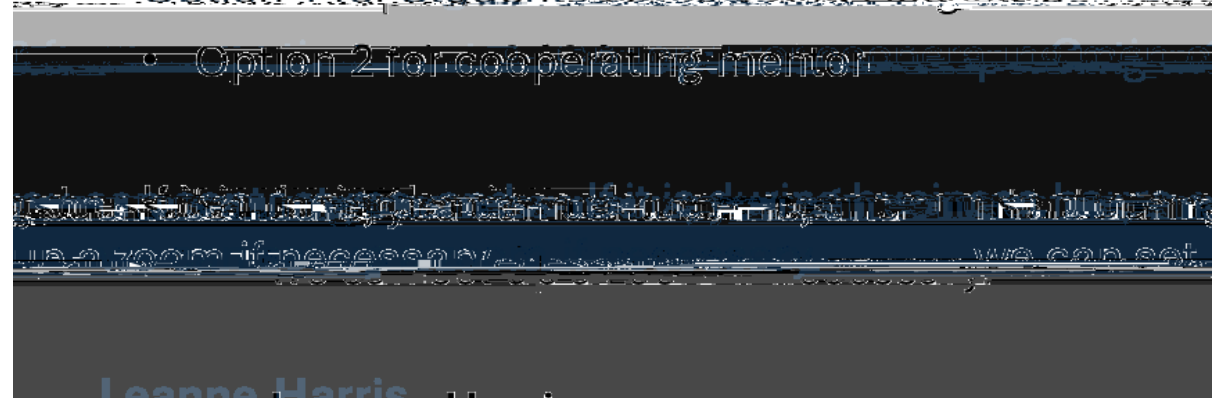

There will be a link in that email that will take you directly to your account.

# Support

If you have any issues with the system, there are two resources. If no one is available or after business hours, please call Watermark support listed below.

- The number is 1-800-311-5656
- Option 1 for Student Learning and Licensure
