Description of other funding you will be using related to your proposed research (Doherty Grant, Lasallian Research Grant, External Research Grant, Caterpillar Grant, etc.) and how it will be used in this project, if applicable. Indicate which aspect(s) of the project will be completed with SURE funding.

Criteria for student applicants (Minimum criteria you will expect from student applicants, such as coursework that must be completed prior to starting work on this project)

List of seminar topics you are willing to cover (Selecting from list below or suggesting your own):
